Depending on the specific unlimited data service plan available at your location, after you use the following amount of data, we may prioritize your data behind other customers during network congestion: Bronze 12 (40 GB); Silver 25 (60 GB); Gold 30 (100 GB). One-time standard installation fee may be charged at the time of sale. Minimum 24-month service term unless you select the no long-term contract option. Equipment lease fee is \$10.00/mo. Taxes apply. Speeds and streaming video quality are "up to," are not guaranteed, and will vary. No long-term contract option requires an upfront \$300 nonrefundable payment. Price lock guarantee applies to standard monthly internet service fee and equipment lease fee before promotional discounts and excludes taxes and surcharges. Service is not available in all areas.
